Baking With Love

Our residents love spending time baking at the weekends, filling the home with delicious aromas and bringing smiles all around! Everyone enjoyed getting involved in making a tasty banana cake, which was later enjoyed with a lovely cup of afternoon tea. Each weekend brings a new baking adventure, from homemade bread to traditional fruity cakes. These sessions are a wonderful opportunity to reminisce about favourite recipes, share baking tips and enjoy quality time together. There's nothing quite like the sense of pride and achievement that comes from creating something delicious to share!

Pumpkins & Petals!

We enjoyed a wonderful flower-arranging session with the ladies of St Edmunds Church, who kindly shared their skills and creativity with us. They demonstrated how to use pumpkins and seasonal flowers to create beautiful autumn-inspired displays. Our residents were then encouraged to get involved in their own flower-arranging activity, choosing flowers and arranging them in their own creative ways. Everyone enjoyed taking part, sharing ideas and admiring each other's creations.
It was a relaxing and enjoyable activity filled with friendly conversation, creativity and plenty of autumn cheer. A big thank you to the ladies of St Edmunds Church for sharing their time and talents with us!
