Creative Blossoms: A Floral Fun Morning

What a wonderful morning spent with Pat, Gill, and Pam, who kindly came in to give us a demonstration on creating beautiful flower arrangements.

After their demonstration, we all had the chance to make our own. The results were fantastic, and we displayed them throughout our home, filling every corner with beauty and fragrance. A big thank you to everyone who came in to help - the residents had a fantastic time learning something new.

What Are They Up To?

If you pop in to visit us, you never know what you might find us doing - playing Scrabble, learning new games, cooking, or making bird food for the feeders in our garden. The list is endless! But today was a real surprise, as we collected blossom petals and created beautiful sun catchers for our bedrooms. With the blossom in full bloom, there's no doubt about it... summer is on its way!

New cooks at Ardtully ...

Maybe some laundry tomorrow??

All our residents peeled and chopped to create a delicious, healthy vegetable and lentil soup, which we're excited to share with our friends at church tomorrow. A big thank you to our wonderful chef Andrew for guiding all the new cooks in his kitchen and for preparing such amazing meals for everyone to enjoy every day.
