

# Ardtully Care Home Monthly Newsletter

Station Lane, Ingatestone CM4 0BL

Our boutique luxury home delivering individual care for our residents

## Visit To Ingatestone Hall

Our residents enjoyed a lovely afternoon at the beautiful Ingatestone Hall, right on our doorstep. We explored the fascinating history of the hall, built in 1566 by Sir William Petre, admired its stunning architecture and hidden priest holes, before enjoying a delicious afternoon tea.

We finished the day with a relaxing stroll around the picturesque grounds, making it a wonderful outing filled with history, friendship, and beautiful surroundings.

# Mini Beasts Experience

Our residents enjoyed a fascinating visit from Rebecca at All Things Alpaca Ltd Chelmsford, who introduced us to a variety of amazing mini beasts. Everyone loved learning fun facts about the creatures, although some residents were a little more enthusiastic than others about getting up close!
