Our boutique luxury home delivering individual care for our residents

What an amazing way to kick off the new year! We're thrilled to announce that Carehome Reviews has awarded us a **perfect 10/10**.

## Through The Eyes of a Child

We were so lucky to welcome Daisy, the 11-year-old leader of Premium Care Group's **Through the Eyes of a Child** program! She's been working with Claire, Oliver and Scarlett to plan activities and set up a group of children to experience life in a care home from a child's perspective.

We're huge advocates of intergenerational relationships, and having this program in place brings so much joy, laughter, and connection to our residents. It was truly an inspiring and fun visit!

Not only did we bake lots of tasty cakes... we also got to enjoy eating them when celebrating our lovely Bill's 66<sup>th</sup> Birthday!

Despite the chilly weather, our trip to the Ingatestone Library was thoroughly enjoyed by all! Wrapped up and ready to go, we made the most of the fresh air, good company, and, of course, a wonderful selection of books.
