

# Ardtully Care Home Monthly Newsletter

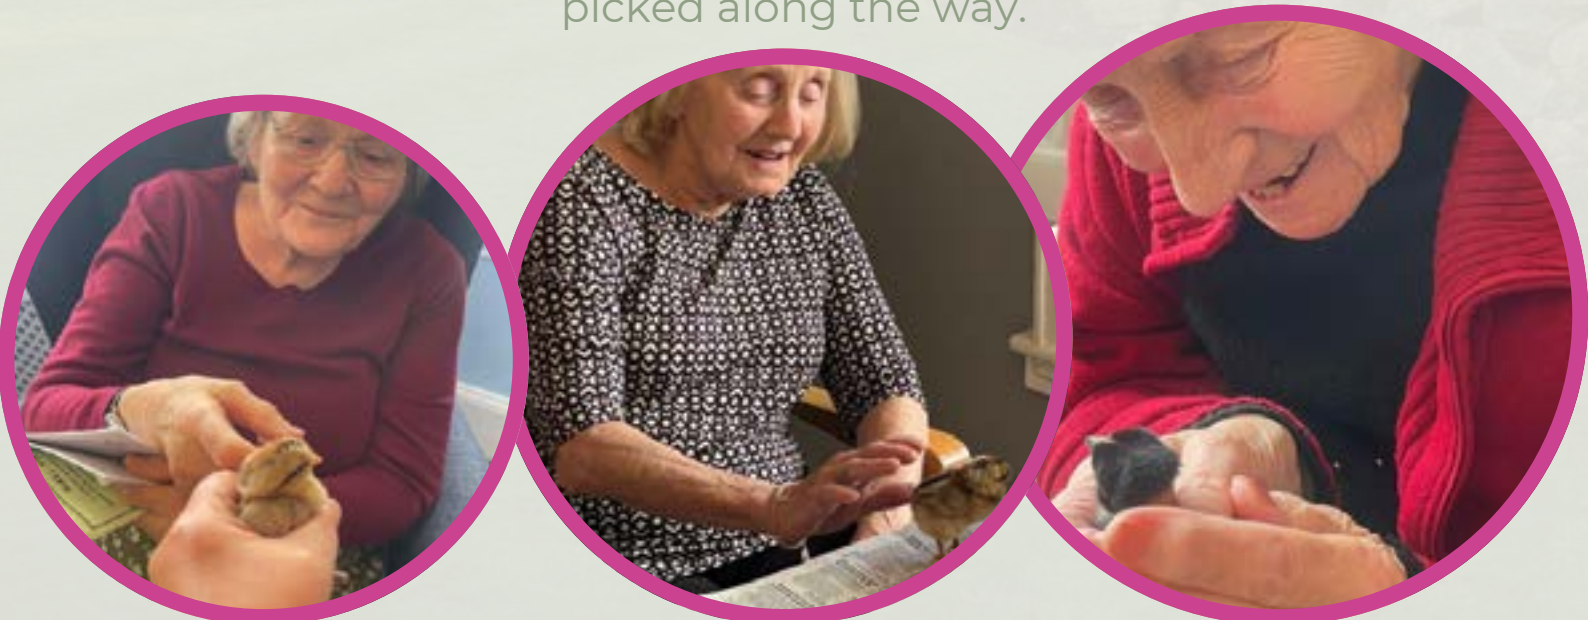

Station Lane, Ingatestone CM4 0BL

Our boutique luxury home delivering individual care for our residents

## Eggciting News From Ardtully Care Home!

We received a delivery of seven eggs, which we carefully hatched and lovingly cared for over ten days. We had fun choosing names and even placed friendly bets on whose would hatch first! Follow our residents' incredible journey with daily updates on our Facebook page - and discover all the wonderful names they picked along the way.

# Glad To Care Week

We whipped up some delicious homemade smoothies using mango, papaya, pineapple, raspberries, blackcurrants, blackberries, and strawberries - all blended with dairy-free ice cream and oat milk. We love creating and savoring our own tasty, refreshing treats!

## Open Day Success

We had a fabulous Open Day! A huge thank you to everyone who attended and made the day so special. We're incredibly grateful for all the hard work that went into making it happen - especially our amazing residents who organized raffle prizes and helped prepare the garden. Harvey kept the music playing, while John and Heidi made sure the food kept flowing. We're truly fortunate to have such wonderful staff, residents, and supportive families.
