Station Lane, Ingatestone CM4 0BL

Our boutique luxury home delivering individual care for our residents

## Brewing Friendships at This Month's Coffee & Chat

We feel so blessed to live in our beautiful village, surrounded by green fields, four charming churches, independent shops, and wonderful villagers who support us here at Ardtully. This month, we continued our Coffee & Chat mornings, welcoming both familiar faces and new friends. It was wonderful to share conversation, laughter, and warm company with everyone who joined us!

# A Magical Day Out for Doreen

Our elegant resident Doreen enjoyed a memorable trip with her daughter Debbie to the Chelmsford Theatre to see Sleeping Beauty Ballet. She had the special opportunity to meet the cast and reminisce about her own dancing career, having shared the stage with legends like Teddy Green, Doreen Wells, and Margot Fonteyn. A truly magical moment for our caring and talented resident!
