Our boutique luxury home delivering individual care for our residents

Sunshine Loving

With the sun shining brightly, we took the opportunity to unwind in our beautiful garden. Surrounded by vibrant blossoms, we enjoyed music, planted new seeds, and embraced the peaceful atmosphere just outside our home.

Easter Celebrations

We were 'eggcited' for Easter! Across the Easter period, we decorated the home with our handcrafted decorations and indulged in Easter chocolates.

COME & MEET US

Join us from 14.00 on June 20th to meet our dedicated team, tour the facilities and engage in dementia-friendly activities. See first hand how we create a warm, supportive environment where social interaction plays a key role in enhancing the well being of our residents.
