Station Lane, Ingatestone CM4 0BL

Our boutique luxury home delivering individual care for our residents

Oh we do like to be beside the seaside!

We took a trip to Southend and were delighted to have had such wonderful weather! A special thanks to Pebbles restaurant and Paul for making us so welcome and giving us such great tasting fish and chips. We would also like to thank all the families and team that joined us and helped make the day so special and memorable.

It's getting hot in here!

The fire crew of Ingatestone took time to visit us and teach us all about fire safety. Our lovely residents laughed and smiled all day, taking turns to check out and pose in front of the fire tuck!

MP Dropped In For Afternoon Tea

We welcomed Local MP Alex Burghart who got to meet all of our wonderful residents and carers for afternoon tea. The residents quizzed Alex on pressing matters in the community, such as uneven pavements and speeding on Roman Road. It was interesting to have reassurance and hear his plans!
